

# Invitation Service

| cirrus identity

# What problems does it solve?

## GRANTING SPECIFIC PEOPLE ACCESS...PARENTS WHO PAY TUITION

- ▶ It is impossible to know who all your external users might be which means that predicting who to give access to is also impossible.

**Our "Invitation Service" exists so you don't have to predict the impossible.**

- ▶ The Cirrus Invitation Service makes it easy for users inside your enterprise to "invite" people outside your enterprise to log in using a social identity.
- ▶ You can then integrate them with your campus Identity Management System and assign them to groups or other authorization tools as you would your other enterprise/campus identities.

# The Facts

- ▶ Determine who can "sponsor" guests
- ▶ Set basic parameters for guest lifecycle-invite and account validity
- ▶ Customize email notifications
- ▶ Streamlined registration flow for end users
- ▶ Admin view of all registered guests
- ▶ AAPI for consuming guest identities to local campus IDMS

Emergency Contact ☐ Designate as Emergency Contact

Please designate an emergency contact person for the university to contact in the case of a personal emergency (i.e. you are injured, become ill, or are missing). This contact is considered confidential and will only be used for a personal emergency. If you have only one contact, that person is automatically your emergency contact.

Confidential Missing Person Contact ☐ Designate a Confidential Missing Person Contact

Please designate an optional confidential missing person contact for the university to contact in the case you become missing. This contact is considered confidential and will only be used if you become missing.

### My Plaid Student

My Plaid Student is a secure website operated by CMU that enables your authorized family & friends to have access to your student invoices. As new features become available in My Plaid Student, you can update the areas of information available to your contact.

### Manage My Plaid Student access

Click on 'Manage Access' for the contact you want to authorize. Review the information and options carefully and click Submit. Your contact will receive a guest invitation email with a link to begin their My Plaid Student registration and log-in process.

### Important - Adding An Emergency Contact

Please designate an emergency contact person for the university to contact in the case of a personal emergency (i.e. you are injured or become ill). This contact is considered confidential and will only be used for a personal emergency. An emergency contact is required, and may be any person that you wish to designate.

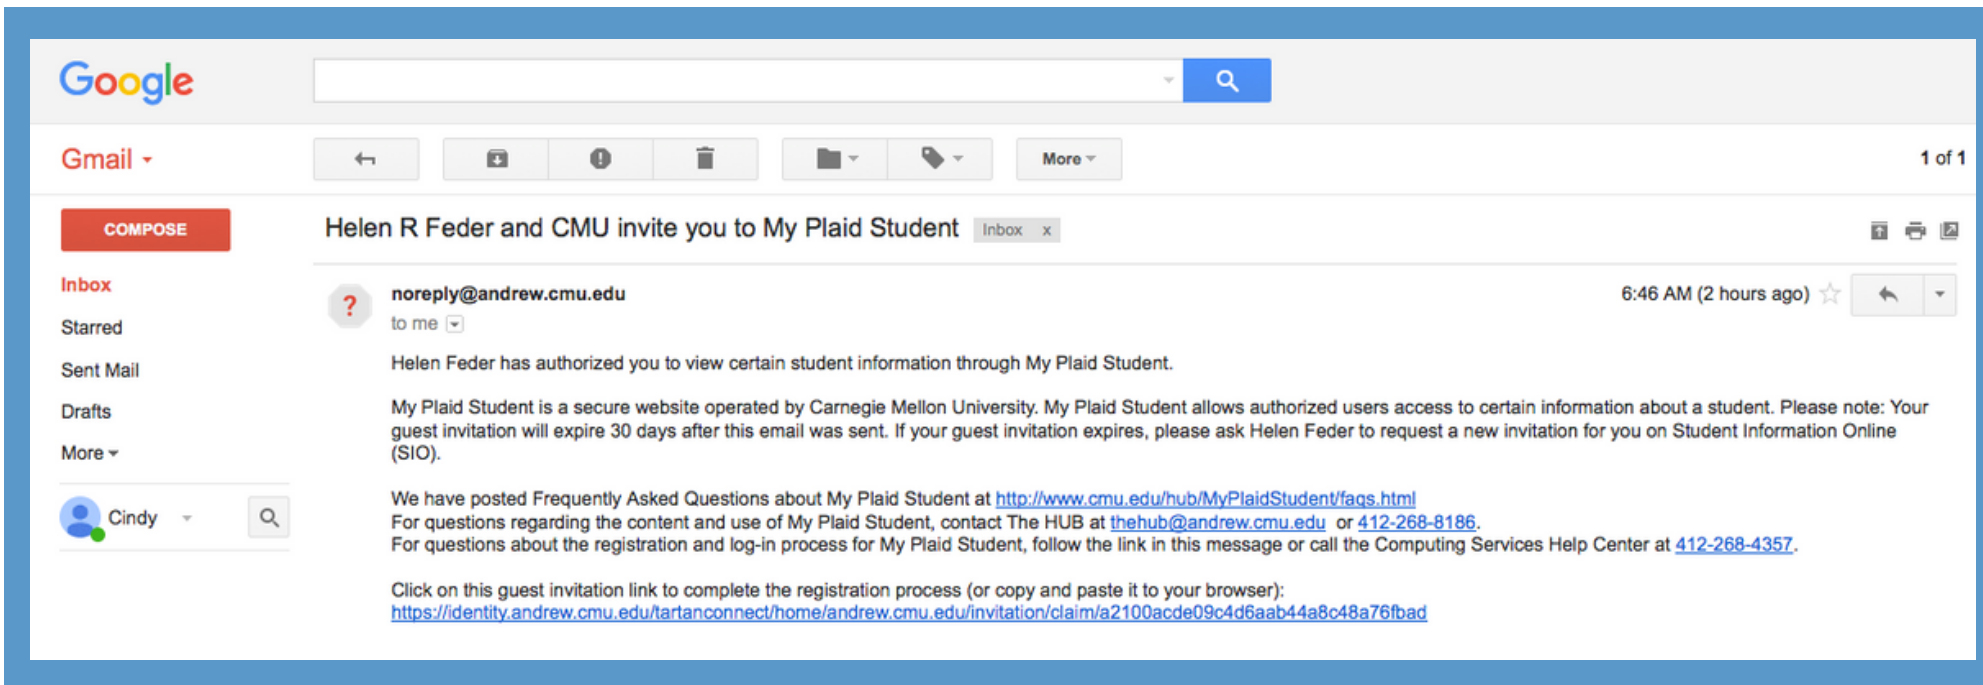

You may also designate a separate missing person contact, who will be contacted only in case that you become missing. This designation is not required.

### My Plaid Student Registration

My Plaid Student is a secure website operated by Carnegie Mellon University. My Plaid Student gives authorized users access to certain information about a student. As new features become available in My Plaid Student, the student can update the areas of information that are accessible to the user.

If you have a current CMU AndrewID account and would like to use it to register for My Plaid Student, please click on the "Use CMU AndrewID" button.

Use CMU AndrewID

If you would like to register for My Plaid Student using Google, Yahoo, etc., please continue to the Cirrus Identity Registration Page.

Continue to Cirrus

Cirrus Identity and Carnegie Mellon University

- CMU has partnered with Cirrus Identity, Inc. The Cirrus Identity Service uses certain Social providers (Google, Yahoo, etc.) to offer password protected access to My Plaid Student. Unless you use an active CMU AndrewID account, registration with Cirrus Identity is needed to access My Plaid Student.
- After clicking on the Continue button, a list of providers will be displayed. After reviewing and agreeing to the terms of service, select your provider by clicking on their logo.
- If you do not have an account with any of the listed providers, please create an account and then resume the My Plaid Student registration process.

For questions about the registration and log-in process for My Plaid Student, contact the Computing Services Help Center at [it-help@cmu.edu](mailto:it-help@cmu.edu) or 412-268-4357.

For more information on CMU's partnership with Cirrus Identity, see our [Frequently Asked Questions](#).

## Carnegie Mellon University Guest Invitation

### Message From My Plaid Student

Please read and agree to the terms of service below to continue your registration.

#### Terms of Service:

By clicking "Accept" below, you acknowledge that you received an email invitation to register for the Carnegie Mellon University My Plaid Student service from Helen Feder at hrf@andrew.cmu.edu ("Email Invitation"). You further acknowledge that you are the intended recipient of the Email Invitation and that you are an authorized user of the email account to which the Email Invitation was sent.

When registering for My Plaid Student you will be asked to identify a Third-Party Identity Provider (e.g. Google, Yahoo, etc.) whose username, password and other credentials you will use to access certain websites. For example, if you select Google during the registration process, you will be able access certain secure websites only when you are properly logged into your Google account. By clicking "Accept" below you agree to maintain the security of the Third-Party Identity Provider credentials that you select to register with My Plaid Student. You understand and agree that it is your responsibility to maintain the security of the username, password, and other credentials that you use to access your account with the Third-Party Identity Provider and any websites. You agree that you will not provide your Third-Party Identity Provider username, password, and other credentials to any other person. You acknowledge that anyone who obtains your Third-Party Identity Provider username, password, or other

☒ I agree to the Terms of Service.
